

## ILLINOIS TECH'S PARENT UNIVERSITY

# Preparing Your Child for College Begins at Home— Illinois Tech's Parent University Can Help

**DATE:**

Saturday, November 14

**TIME:**

8:30 a.m.–1 p.m.

**LOCATION:**

Illinois Institute of Technology, John T. Rettaliata Engineering Center  
10 West 32nd Street (32nd and State streets)  
Chicago, IL 60616

**Chicago parents and families:** It is never too early to prepare your child for college and their future career path! Join us for a day of interactive college readiness workshops that will focus on the application process, financial aid resources, and connecting your child to learning opportunities in the city.

If you would like to bring children (ages 6–12), bring them with you to Parent University! As a part of our Kids Corner, they can participate in engaging and fun STEM (science, technology, engineering, and math) activities, guided by Illinois Tech students, while you attend the parents' sessions.

All sessions are free of charge. A light breakfast and lunch will be provided.

RSVP is requested by **Monday, November 9.**  
Please RSVP at <http://tinyurl.com/ParentUnivRSVP>.
